

Davis College Creed: We believe that the very heart of this College is the Bible as the inspired Word of God. It is the gospel that Jesus Christ died, was buried and that He rose again. The inerrancy of scripture and the atoning work of Jesus Christ must be at the core of any college that calls itself a Christian college.

.....

Davis College Mission: Davis College is a Bible centered higher education institution committed to making an impact upon the world for Jesus Christ, by the fostering of Christian character and the equipping of students with the knowledge, competencies and skills needed in an ever changing world for service and leadership in the church, Christian organizations and society.

Dino J. Pedrone

Conference Speaker

Dr. Dino Pedrone is the ninth president of Davis College. A native of Binghamton, New York, he is married to Bobbie Pedrone and together they have four grown children and three grandchildren. Dr. Pedrone is author of twenty books and booklets, contributor to various articles and magazines. His most recent book is "He Must Be The One", a verse-by-verse commentary on Colossians.

Davis College offers numerous programs but none is as close to our president's heart as pastors and their calling. With over forty years of experience, Dr. Pedrone feels that one of America's greatest needs is for pastors and their staff to be grounded in Scripture and practical application. He is dedicated to training men and women for ministry.

Welcome to Carlton and Jessie Carpenter Day

In Memory of Rev. Carlton and Jessie Carpenter, Class of 1941

Beginning this year we will be honoring a pastor and his wife for their faithfulness to the local church at the annual Pastors and Leaders Conference. This year, the Board of Trustees of Davis College has declared March 20, 2012 to be Carlton and Jessie Carpenter Day at Davis College.

Carlton Carpenter passed away on July 19, 2011 after a lifetime of service to Jesus Christ. It was Rev. Carpenter's wish that a gift be made to the endowment fund of Davis College. Consequently, a fund was set up in the name of Rev. Carlton and Jessie Carpenter for scholarship assistance to current and future students preparing for a career in full-time Christian service.

Davis College is honored to celebrate Rev. and Mrs. Carpenter's legacy through this scholarship that will nurture Christian young people serving God.
