JOHNSON CITY, NY (November 3, 2009) – Davis College students in the Marriage and Family Counseling class will be volunteering at the George F. Johnson Dream Center's *Super Dads Breakfast* on Saturday, November 21, 2009. Professor Sheila Flipse, Chair of the Counseling program at Davis, states, "This is an opportunity for our students to get involved in the community with an event honoring fathers spending time with their kids. We're glad to partner with the Dream Center for this family-oriented event."

Active service in the community is an important component of the student experience and one which Professor Flipse actively builds into the learning experience. The Counseling program at Davis College is designed to give students the basic counseling skills needed to help people. Many graduates pursue graduate degrees in counseling or related fields and some obtain professional licensure in the field of counseling or social work.

Davis College students will be providing childcare, serving food and cleaning up after the event. The *Super Dads Breakfast* will be held from 10 AM to Noon on November 21<sup>st</sup> at the Sarah Jane Johnson Memorial United Methodist Church, 308 Main Street, Johnson City, New York. Reservations can be made by calling 607.797.3938 by November 17, 2009.

###

Davis College is an accredited Bible-centered higher education institution committed to making an impact upon the world for Jesus Christ by the fostering of Christian character and the equipping of students with the knowledge, competencies and skills needed in an ever-changing world for service and leadership within the church, Christian organizations and society. Founded in 1900, the College equips Christians for professional ministry and marketplace careers with academic excellence built upon a biblical worldview.
