

## Policy for Alcohol and/or Drug Use Amnesty - Section 6442

The health and safety of every student at Davis College is of utmost importance. Davis College recognizes that students who have been drinking and or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their conduct. Davis College strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to Davis College's officials or law enforcement will not be subject to Davis College's code of conduct action for violations of alcohol and/or drug use polies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.
