RE: Professional Judgment (PJ)!

Date: 9/15/2021

To: All Financial Aid Applicants!

Financial aid administrators are authorized to adjust the FAFSA when a family's finances are negatively impacted by Covid-19. Therefore, you may be eligible for additional federal financial aid beyond what you are receiving. Please contact Naomi Saravanapavan, the Director of Financial Aid at nsaravanapavan@davisny.edu with adequate documentation to adjust your FAFSA.

Additional Higher Education Emergency Relief Funds (HEERF) may be available to support students who have higher COVID-19 expenses than the standard relief grant amount. If you are in an emergency, please submit a request via this page: <https://davisny.thankyou4caring.org/business-office/caresact>
